28345 Beck Road, Suite 404
Wixom, MI 48393-4745

Dear Mr. Famie:

It is my pleasure to extend my support for your latest production, *Our Vietnam Generation*. I have no doubt that this venture will generate great success as well as honor and acknowledge the veterans who served in the Vietnam War.

You are to be commended for giving a voice to those who fought in one of the most opposed wars in our nation's history. As with your past documentaries, I am confident that you will once again create an extraordinary human interest piece that truly touches the lives of viewers.

It comes as no surprise that your work has received numerous accolades and awards, including multiple Michigan Emmy awards. Under your leadership, the team at Visionalist Entertainment has created inspirational documentaries that capture the spirit of Detroit. I look forward to viewing your latest masterpiece, *Our Vietnam Generation*, when it debuts later this year.

Congratulations on yet another great endeavor. Please do not hesitate to reach me if I can be of assistance in ensuring the success of this film.

Sincerely,

John Pappageorge
